1 Introduction

1.1 What it is MEUPS?

MEUPS is an acronym for the Medicaid Enterprise User Provisioning System. It's a single sign-on system that allows users to access multiple applications via a single user name and password. What that means to Kentucky Medicaid Providers is that you can manage your own account, and others' access to it. You won't see the word MEUPS on your screen, but you may hear someone refer to your MEUPS account. It's the same thing as your KyHealth Choices account.

1.2 How do I use this system?

When you log in, you'll see the KyHealth Choices Home Page, and any applications available to you will appear on your menu, including Account Management, Authorization Request, KYHealth Net and EMAX.

Link	Functions for All Users	Functions for Provider Admin Only	Functions for Billing Agents Only
Account Management	Allows you to manage your personal information, change your security question/answer and reset your password.	Allows you to view agents with access to your account and add an agent to your account.	None.
KyHealth Net	Allows user to submit claims, PA requests, check eligibility, etc.	Functions are limited to those that are applicable to the Provider type.	Functions are limited to those authorized by the Provider Administrators.
EMAX	None	Functions are limited to those that are applicable to the Provider type.	Functions are limited to those authorized by the Provider Administrators.

1.3 What is a Provider Administrator?

A Provider Administrator has control of a Provider's account, and can grant access to Billing Agents. A PIN is required to set up a Provider Administrator account, and only one Provider Administrator account can exist for each Kentucky Medicaid provider number.

1.4 What is a Billing Agent?

A Billing Agent is an account-holder who works on behalf of a Provider, but isn't the Provider Administrator. In other words, the Billing Agent may submit claims on behalf of the Provider, but only as long as the Provider Administrator has granted access to the Billing Agent. A single Billing Agent may work on behalf of multiple providers. An individual may set up his or her own Billing Agent account, but may not access claims submission, eligibility, etc. until a Provider Administrator grants access.

1.5 What is a PIN Number?

Each Kentucky Medicaid Provider has been issued a Personal Identification Number which can be used to set up an account. This PIN is the key that "unlocks" the account initially. Instructions for obtaining the PIN are in the next section of this document. Creating a New Provider User Account for KYHealthnet

The user creating the KYHealth Net account should be the office manager or someone deemed responsible for accessing provider information. A PIN number is required to create a user account. The Electronic Data Interchange (EDI) Helpdesk will assign a PIN number to each KY Medicaid provider ID.

1.5.1 How to obtain a PIN number:

1. Go to the KY Medicaid Website www.kymmis.com.
2. Click on Electronic Claims.
3. Click on Frequently Asked Questions.
4. Click on the hyperlink at the bottom of the page; last paragraph; first sentence for PIN release form (user instructions included).
5. Complete the attached PIN Release form and return to the EDI Helpdesk along with a copy of a valid driver's license via e-mail or fax. Include your phone number and e-mail address and someone will contact you with your PIN and website information.
    a. Fax your PIN Release form to: 502-209-3242 or 502-209-3200.
    b. E-mail your form to: KY_EDI_Helpdesk@hp.com.

The HP EDI department will respond within 2 business days via email.

The PIN release email example is below:

To create a KY Health Net account user the following information:

Provider ID = XXXXXXXXXX

PIN # = XXXXXXXXX

To create a KYHealth Net account, access https://public.kymmis.com/pinletter/

To access the user account: http://home.kymmis.com/

The password expires every 30 days. A reminder is sent on the 20th day to update the password. To change your password click on Account Management, Change my password.

In the future you can do the following: If the account user password is expired click on 'Forgot my password' button on the sign in page under password to complete a password update. This function only works if a security question is linked to the account. If you have questions contact the EDI Helpdesk at 800.205.4696 or KY_EDI_Helpdesk@hp.com.

Providers are now able to view Confirmation notices, Lack of Information and Denial letters online, via KYHealth Net, through https://home.kymmis.com/home. Select PA from the top menu and then select the option titled Carewise Prior Authorization Letter. This will allow you to search for, save or print a copy of the letter. You must be the provider the letter was issued to in order to view and print the letter.
11/17/2014
Effective December 1, 2014, Licensed Professional Art Therapists and Applied Behavior Analysts applications will be accepted. However, these two new provider types will not be allowed to enroll until January 1, 2015. The enrollment requirements can be found on the Provider Enrollment website located at http://www.chfs.ky.gov/dms/provEnr/

Important KYHealthNet Announcement - Providers who are already enrolled in KY Medicaid are now able to access their provider enrollment file online through https://home.kymmis.com/home/. If you already have access to KYHealthNet, you are now able to view your contract dates, licensure information, physical, correspondence and pay to address, phone number, fax number, taxonomy, NPI, group practice provider is affiliated with, providers that participate in group practice, annual disclosure of ownership (ADO), and revalidation dates. Once you log on to KYHealthNet, click on the Provider Status tab to access your file. If you do not have access to KYHealthNet, please visit http://www.chfs.ky.gov/dms/kyhealth.htm for instructions on how to sign up for this feature. If you have questions, please contact the EDI Department at HP by email (KY_EDI_HelpDesk@hp.com) or by phone at (800) 205-4696.

2. Select/verify the Provider's NPI/Taxonomy in the drop-down box.

NOTE: The drop-down only appears if the user is an agent for multiple providers; otherwise, the agent will see only one provider's NPI/taxonomy in the box.

4 Functionality

Provider Administrators have access to all applicable functions on KyHealth Net. Billing Agents and Agents have access to only those functions granted them by the Provider Administrator. A Billing Agent or Agent may only perform the functions granted them by a given Provider Administrator, while logged in under that provider's account.

For example, if an Agent works on behalf of Dr. Smith and Dr. Jones, but the Agent doesn't have claim submission access for Dr. Jones, the claim submission function will not appear unless the Agent has selected Dr. Smith's NPI/Taxonomy from the drop-down when logging in.

KyHealth Net offers the following functions:

Menu Selection	Functions
Member	Check eligibility, card issuance, spend down, patient liability, pharmacy history and enroll a Member in Presumptive Eligibility (PE providers only).
Claims	Check claim status, submit claims, adjust paid claims or void paid claims.
Prior Authorization (PA)	Access PA information; download a PA letter or lookup a PA number.
Provider References	Check coverage on a procedure code, lookup commercial insurance carrier information and access other references on the DMS website.
RA Viewer	View and/or download your Remittance Advice.

The hyperlinks on the Home Page also offer quick access to commonly used functions.

KyHealth Choices Prior Authorization Call Checklist

Prior to calling or faxing this request to prior authorize services, please complete the following information for each Medicaid member when requesting services. By completing this form our representatives will be able to process your request more quickly. We thank you for your assistance.

Clinical staff should make the Prior Authorization request.

Review the attached list to see if service requires prior authorization (which would be the letter) and add below.

All fields are required to process the Prior Authorization request.

This request does not guarantee these services will be authorized.
